

Far Oaks Junior Golf Academy 2019

It's that time of the year again to think about what your child will be doing for their summer activities. Bring your child to Far Oaks Golf Club for the 2019 Junior Golf Academy. There is no better way to teach your child self discipline, etiquette, and self confidence than getting them involved in the game of golf. Our staff of Golf professionals is here to assist the "Future leaders" in our community.

Our Junior Program will be structured the same as last season. The campers really excelled the past couple of years with the new week format so things will remain the same. We are going to have two separate sessions that will be running Monday – Thursday. These sessions are depicted in the information on the next page. We will be doing instruction for 3 days and playing on the course the final day.

The instructors will include Director of Golf Doyle Moffitt, Assistant Golf Professional Tim Littlejohn, and Director of Instruction Walt Siemsglusz. Doyle has been involved in the game of golf since the age of 4 and has competed on a National Level since the age of 7. Playing under a full scholarship at the University of Missouri-Columbia, he understands the importance of learning the game at a very young age. Tim joins our academy for the second year and is a former member of the Lindenwood-Belleville golf team. Walt is new to our team this year with 30 plus years of experience and one of the ONLY PGA Master professionals in the STL area. Walt is a great addition to our teams.

The first junior camp will take place June 10th – 13th and the second July 22nd – 25th.

The Junior Golf program is for children of between the ages of 6 and 16. The cost will be **\$140**. The cost includes Instruction, Range balls, On-Course Play and a gift for each student. There will be designated days for either instruction or playing.

In the best interest for our junior golfers, more hands on instruction is needed to further develop their games. Therefore we have designated days for either instruction or play days.

It is so important for the success of our junior program that we have the support of parent volunteers. If you can volunteer for any days it would be a great help or if you can send another adult in your place we would **GREATLY** appreciate it. Being a scorer or taking water to the kids helps so much and allows the golf professionals more time with the kids.

Please complete the registration form insert and return it to the golf shop or call us at 618-628-2900 or email dmoffitt@faroaksgolf.com.
