

## Far Oaks Junior Golf Academy 2017

It's that time of the year again to think about what your child will be doing for their summer activities. Bring your child to Far Oaks Golf Club for the 2017 Junior Golf Academy. There is not a better way to teach your child self discipline, etiquette, and self confidence than getting them involved in the game of golf. Our staff of Golf professionals is here to assist the "Future leaders" in our community.

Our Junior Program will be structured the same as last season. The campers really excelled last year with the new week format so things will remain the same. We are going to have two separate sessions that will be running Monday – Thursday. These sessions are depicted in the information on the next page. We will be doing instruction for 3 days and playing on the course the final day.

The instructors will include Director of Golf Doyle Moffitt, assistant golf professional Tyler Kniepkamp, and Wayne Ockovic. Doyle has been involved in the game of golf since the age of 4 and has competed on a National Level since the age of 7. Playing under a full scholarship at the University of Missouri-Columbia, he understands the importance of learning the game at a very young age. Tyler joins our team this year with a ton of junior golf experience and is a local from Belleville. We are excited to have him as part of our team. Wayne Ockovic, previously of St. Clair C.C., is a PGA professional that has been in the business for several years. Wayne teaches some of the best junior golfers in the area, the current girls golf coach at Althoff Catholic High, and we are happy to have him on board this year.

The first junior camp will take place June 12<sup>th</sup> – 15<sup>th</sup> and July 17<sup>th</sup> – 20<sup>th</sup>.

The Junior Golf program is for children of between the ages of 6 and 16. The cost will be **\$125**. The cost includes instruction, range balls, On-Course Play and a Tee Gift. There will be designated days for either instruction or playing.

In the best interest for our junior golfers, more hands on instruction is needed to further develop their games. Therefore we have designated days for either instruction or play days.

It is so important for the success of our junior program that we have the support of parent volunteers. If you can volunteer for any days it would be a great help or if you can send another adult in your place we would **GREATLY** appreciate it. Being a scorer or taking water to the kids helps so much and allows the golf professionals more time with the kids.

Please complete the registration form insert and return it to the golf shop or call us at 618-628-1382 or email [dmoffitt@faroaksgolf.com](mailto:dmoffitt@faroaksgolf.com).
