

Far Oaks Junior Golf Academy 2024

We are excited once again for another year of the Far Oaks Junior Golf Academy. There is no better way to teach your child self discipline, etiquette, and self confidence than getting them involved in the game of golf. Our staff of Golf professionals is here to assist the “Future leaders” in our community.

Our Junior Program will be structured for hands on training on the game’s fundamentals and fun activities during the camp. This camp is designed for all skill levels and the perfect opportunity to introduce your son or daughter to the game we all love. We will have one session in June; if demand is high enough, we will schedule another session late summer(July). The camp will run from Monday – Thursday. We will be doing instruction for 3 days and playing on the course on the final day.

The instructors will include Director of Golf Doyle Moffitt, Assistant Golf Professional Drew Curtis, and Director of Instruction Walt Siemsglusz. Doyle has been involved in the game of golf since the age of 4 and has competed on a National Level since the age of 7. Playing under a full scholarship at the University of Missouri-Columbia, he understands the importance of learning the game at a very young age. Drew, a former college baseball player, was also introduced to the game of golf at an early age. Drew is pursuing a career in the golf business and will bring a fun diverse perspective to the camp this season. Walt is new to our team this year with 30 plus years of experience and one of the ONLY PGA Master professionals in the STL area. Walt is one of the best instructors in the area and we are happy to have him on our team.

The camp will run from Monday June 24th – Thursday June 27th.

The Junior Golf program is for children of between the ages of 6 and 16. The cost will be **\$150**. The cost includes Instruction, Range balls, On-Course Play and a gift for each student. There will be designated days for either instruction or playing.

In the best interest of our junior golfers, more hands-on instruction is needed to further develop their games. Therefore we have designated days for either instruction or play days.

It is so important for the success of our junior program that we have the support of parent volunteers. If you can volunteer for any days it would be a great help or if you can send another adult in your place we would **GREATLY** appreciate it. Being a scorer or taking water to the kids helps so much and allows the golf professionals more time with the kids. Thursday is the main day for volunteer needs to shuttle on the course. Please complete the registration form insert and return it to the golf shop or call us at 618-628-2900 or email dmoffitt@faroaksgolf.com.
